"When I started counting my blessings, my whole life turned around." - Willie Nelson reminds us of the importance of being thankful. Thankfulness leads to appreciation. Appreciation leads to giving. Giving allows us to heal. Healing allows us to throw out the baggage that we sometimes carry through life. The fall is a great season to practice being thankful!

1. The survey says....that we will reschedule the Trunk or Treat / Dance. 62% of the respondents stated that we should either reschedule all or part of the event. We are confirming dates currently and expect to be able to announce a specific date on Monday. As an added twist, we are also asking for donations to be brought to the event to support the St. Francis de Sales Parish Outreach. A flyer will be sent out with all the information on Monday.
