RE: Uniforms

As we begin a new relationship with IDEAL Uniforms, I am grateful for the years of loyal and helpful service that we have received from Lobels. I am hopeful that we will develop a lasting relationship with the crew at IDEAL. I know they are excited to work with us, too. I am also grateful to our community for your understanding and input throughout this process. Your input has helped shape our decision to partner with IDEAL Uniforms.

During this process, our school has investigated the potential of providing our families with certain uniform items directly through school. These include PE uniforms and white short sleeve knit shirts with collars. As this option is still only being developed, IDEAL has agreed to supply us with those items until we are operating fully. We anticipate that there may be a short lead time for orders being placed that include these items.

While we have planned for a smooth transition, undoubtedly we may experience some "bumps in the road". I am confident that we can resolve anything that develops during this transition. I appreciate your enduring patience throughout this change.
