

We are collecting...

Can Tabs for Kids

A fundraiser that helps support
Stony Brook Children's Hospital

For all the can tabs we collect, Gershow Recycling will provide matching funds that will be donated to the Sunrise Fund at Stony Brook Children's Hospital.

The Sunrise Fund was established to raise awareness about childhood cancer and the special needs of such children in our community.

Then money raised is used to support:

- Cutting-edge research
- Family programs and support groups
- School re-entry programs
